PERSONAL MATCHMAKING

A little clarity.
A useful next step.

YOUR PRACTICAL COMPANION

Where would help make a difference?

Choose what to handle and what to ask for.

Place two or three tasks in the columns. Choose a route to explore and one small step for this week.

> Consider: finding people · keeping a profile · starting a conversation · discussing life plans · preparing a first meeting.

MY PART

I am happy to handle...

Choose the tasks you want to own

THE HELP

I would value help with...

Name the part that feels difficult

COMPARE

What would the help actually change?

The task, the person helping and what is included

The route I want to explore first

One action I can take this week

No score chooses for you. Use the task you need help with when comparing a service.
