PERSONAL MATCHMAKING

A little clarity.
A useful next step.

YOUR PRACTICAL COMPANION

Our first-visit plan.

A small agreement. Room for both people.

Complete this together. Keep private booking details elsewhere; share only what you both want on this page.

Visit dates + city

01 · FIRST HELLO

Keep the beginning simple.

Public place + date + local time

A comfortable finishing time

What we would both enjoy doing

02 · INDEPENDENT ARRANGEMENTS

Each of us keeps a way to leave.

My own arrival, stay and transport plan

Their own arrival, stay and transport plan

03 · ROOM TO CHANGE

Agree on the words, before you need them.

If we need to change or stop a plan, we will…

After the visit, we will talk on…

Each person privately tells someone they trust where they are going. A shared plan can change; affection and another meeting remain a choice.
