PERSONAL MATCHMAKING

A little clarity.
A useful next step.

YOUR PRACTICAL COMPANION

Three questions for our next call.

Choose a mood. Leave room for a story.

Take turns, follow an answer and skip any question that does not fit the moment. Three prompts are enough to begin.

01 START LIGHT

What small moment from today would you like me to have seen?

A follow-up I want to ask

02 FOLLOW A STORY

What is a little thing you would like to teach me?

A follow-up I want to ask

03 LOOK AHEAD

What would you enjoy us trying together next?

A follow-up I want to ask

KEEP ONE DETAIL

Something to return to next time.

A story, a small plan or an unanswered question

Ask → listen → follow → share. You can spend the whole call on one answer.
