POCKET PRACTICE CARD

A few words, meant with care.

Keep the meaning with the phrase. Pick one, hear it spoken and practise briefly. Ask before saving someone's voice example.

Mahal kita

I love you.

When that is what you mean.

Mahal din kita

I love you too.

When you feel it too.

Gusto kita

I like you.

When this better fits your feelings.

Phrase meanings: FilipinoPod101 · liking and loving. Listen to the spoken lesson; ask how your partner says it.

Choose one expression

The phrase I want to practise

What I mean by it

A moment when it would feel natural

Listen, then try

A pronunciation note or correction I was given

Make it personal, with permission

The language she prefers

A nickname she likes, if any

One thing I want to learn next

A phrase is an expression, not a request for an answer or a substitute for a relationship conversation.
